Part B : Criteria Summary

1 OUTCOME-BASED CURRICULUM (120)

1.1 Vision, Mission and Program Educational Objectives (PEOs) (35)

1.1.1 State the Vision and Mission of the Institute and the Department (5)

Vision of the institute	**To transform the institution into a global centre of learning through synergic application of creativity, innovation and discipline.**
Mission of the institute	1. Create ideal ambience for learning and growth. 2. Help students inherit value-systems, be creative and agile thinkers. 3. Establish discipline, Value-added education and Training & Placement as three core values. 4. Building capabilities among students to lead form the front as also be a team player. 5. Develop a symbiotic relationship between the institution, society and the community, for mutual betterment.. 6. Expand the Vistas of higher learning in Technology and Management Fields, including Post-Graduate Studies and Research. 7. Encourage global vision and integration with International Best Practices for Local, Regional and National Development.
Vision of the Department	To transform the department into a center of excellence for Computer Science and Engineering, through conscious, meaningful, devoted and determined effort of all the stakeholders, by synergistic application of creativity, innovation, discipline and social consciousness.
Mission of the Department	

Mission No.	Mission Statements
M1	Prepare the students for direct employment in various computer science & computer engineering-related careers.
M2	Enable the students for the pursuit of higher studies and / or research
M3	Encourage the students for entrepreneurship in computer science and engineering.
M4	Impart quality and value-based education as per the needs of the society.

1.1.2 State PEOs of the Program (5)

PEO No.	Program Educational Objectives Statements
PEO1	Graduates will establish successful careers in computing and IT industries or pursue higher education.
PEO2	Graduates will analyze, design, and implement computing solutions to solve real-world problems, lifelong learning, innovation, and emerging technologies.
PEO3	Graduates will function effectively as professionals with ethical values, teamwork, communication skills, and leadership qualities.

1.1.3 Process of Defining Vision, Mission and PEOs (15)

The process to arrive at the Vision and Mission of the department is as follows:

Step 1:	**Strengths, Weaknesses, Opportunity, and Challenges (SW were the basis for identifying the key indicators for framin the Vision and Mission statements. This process also attempted to understand the aspirations of the stakeholde and look into some of the benchmark institutions in the system for arriving at the draft Vision and Mission.**
Step 2:	**The Department Academic Committee (DAC) reviewed the draft of the Department's Vision and Mission after taking i consideration the views and suggestions of various stakeholders while ensuring alignment with Institute's Vis and Mission.**
Step 3:	**The Department Academic Committee (DAC) recommende the draft of the Department's Vision and Mission to the competent authority.**
Step 4:	**Authority reviews the draft of the Vision and Mission statements of the Department.**
Step 5:	**The approved Vision and Mission of the Department are published.**

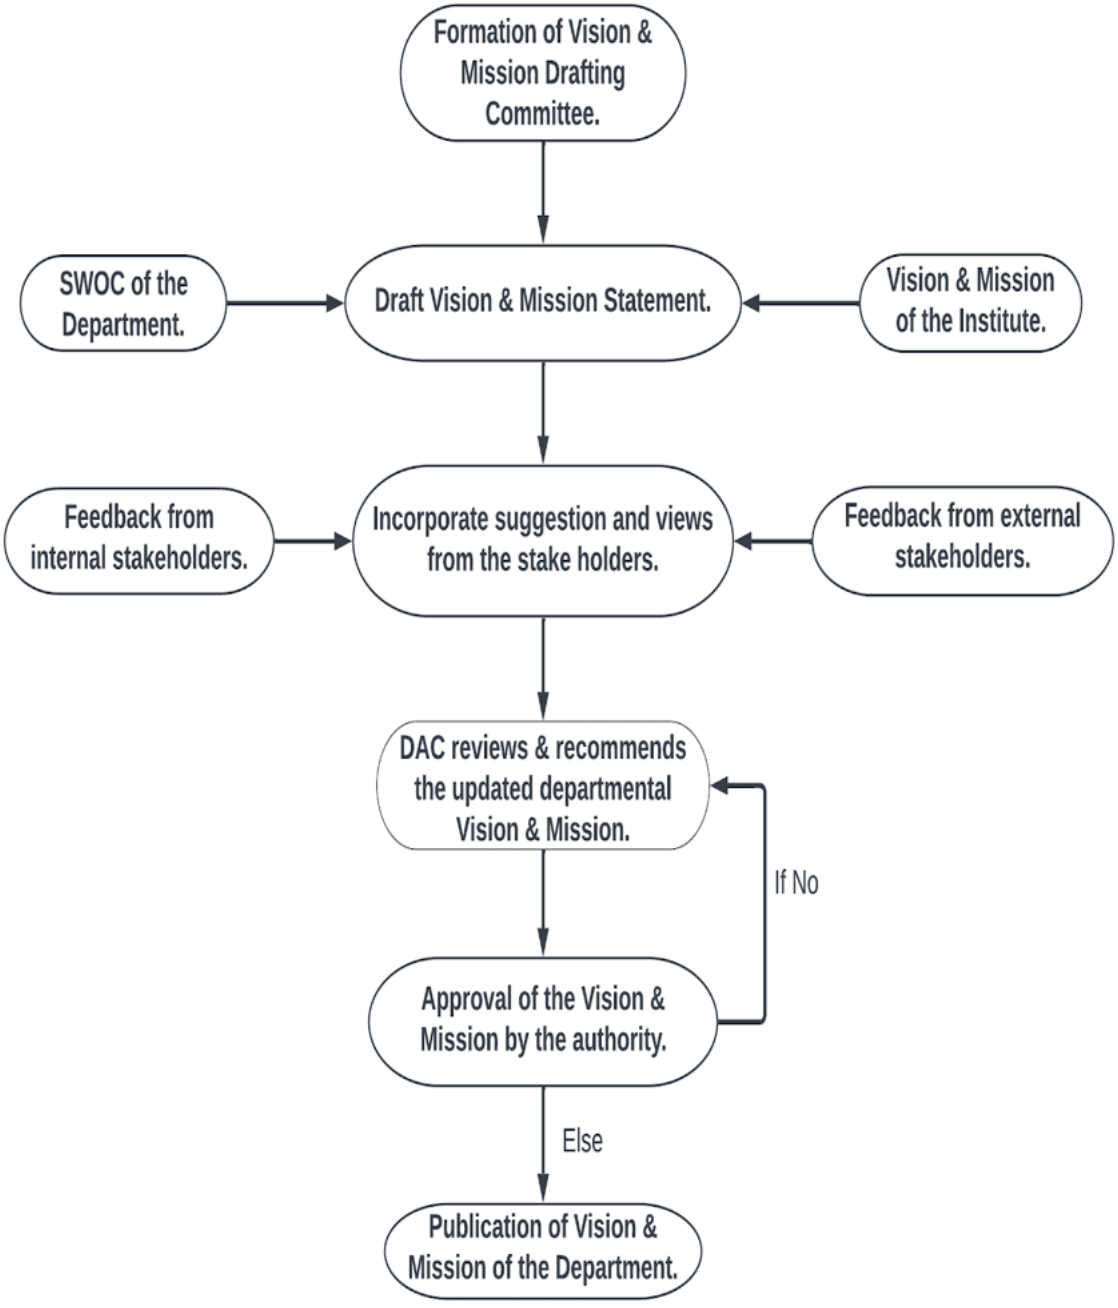

Figure: 1.1.3.1. A Process Flow Diagram for Framing the Vision and Mi

The process to arrive at the PEOs of the program is as follows:

Step 1:	**The drafts of PEOs are defined from Vision and Mission of t Department.**
Step 2:	**The Department Academic Committee (DAC) reviews the dr of the PEOs of the program after taking into consideration t views and suggestions of various stakeholders.**
Step 3:	**The Department Academic Committee (DAC) recommends t draft of the PEOs of the program to the competent authority**
Step 4:	**The authority reviews the draft of the PEOs of the program.**
Step 5:	**The approved PEOs are published by the department.**

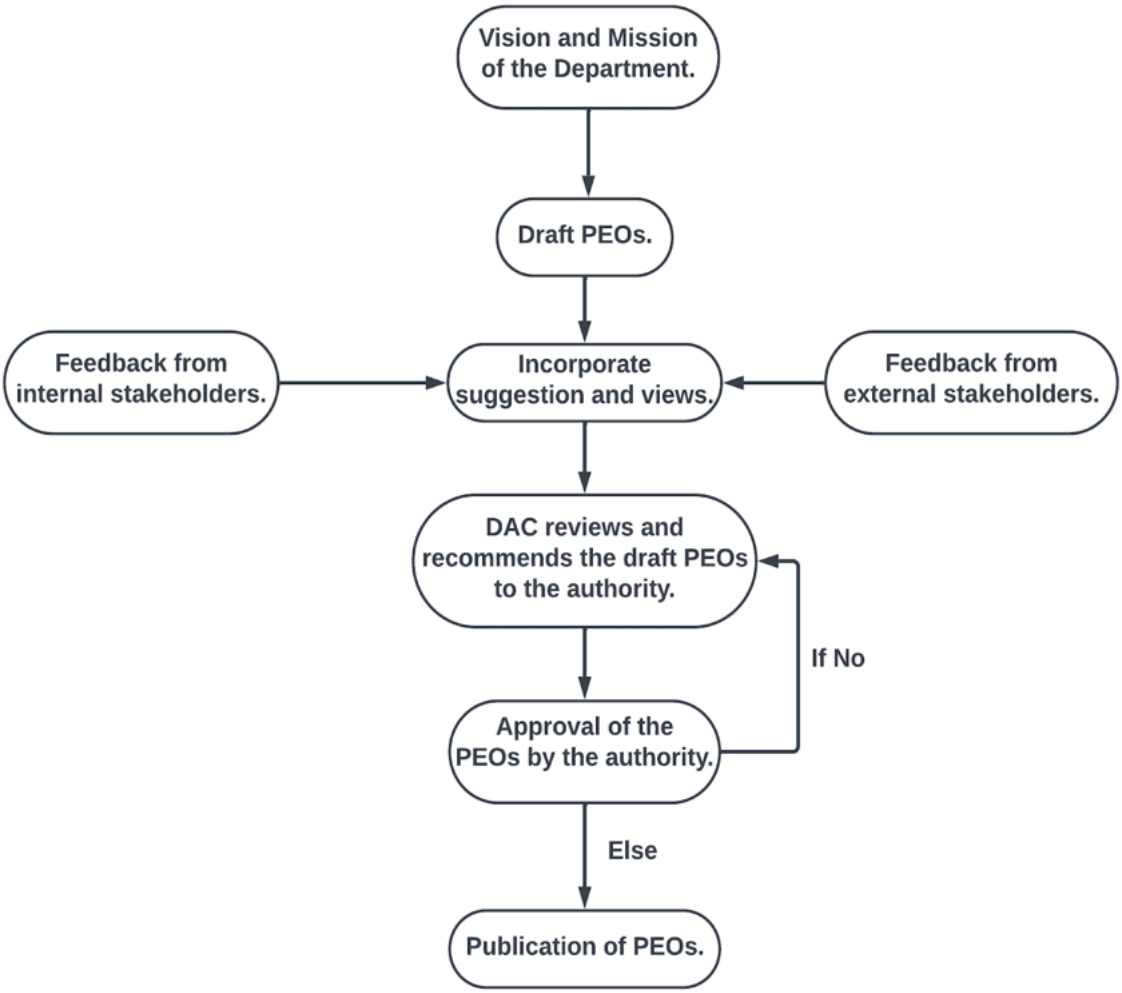

Fig: 1.1.3.2 Process Flow Diagram for Framing the PEOs

1.1.4 Dissemination of Vision, Mission and PEOs (5)

The table below shows the location where Vision and Mission are published and disseminated:

Table 1.1.4.1. Availability of the Vision and Mission statements

SL. NO.	LOCATION	INSTITUTION		DEPA	
		Institute Vision	Institute Mission	Department Vision	
1.	Institutional website (www.bcrec.ac.in)	✓	✓	✓	
2.	Prospectus	✓	✓	✓	
3.	College Library	✓	✓		
4.	Social media	✓	✓	✓	
5.	Head of the Department Room	✓	✓	✓	
6.	Departmental Library			✓	
7.	Departmental Seminar Hall			✓	
8.	Faculty Room	✓	✓	✓	
9.	Classrooms			✓	
10.	Laboratories			✓	
11.	CSE Project Laboratory			✓	
12.	Think IoT - Research Laboratory			✓	
13.	Departmental Notice board	✓	✓	✓	
14.	Course Files			✓	
15.	Laboratory Manuals			✓	
16.	Departmental Magazine/Newsletter			✓	

Process of dissemination among stakeholders

The Vision, Mission, and PEOs of the institute and the department are disseminated to the various stakeholders during interactions with them. The Vision and Mission of bo communicated to the stakeholders as mentioned below:

(i) Student induction program - The students are made aware of the Vision, Mission, and PEOs of the institute and the department during th before the classes of the first year's first semester start.

(ii) Guardian interaction - The guardians are made aware of the Vision, Mission, and PEOs of the institute and the department in an interactive

(iii) Interaction with the employers at the time of placement - During the time of placement, the employers are made aware of the Vision, Mis sessions.

(iv) Departmental events like workshops, conferences and seminars - Events like workshops, conferences and seminars are organized regu PEOs of the institute and the department. In addition, the faculties and HOD often take the responsibility of making the students aware of the mission, vis

A. Extent of awareness of Vision, Mission & PEOs among the stakeholder

The extent of awareness of Vision, Mission & PEOs among the stakeholders can be considered very satisfactory and extremely outreaching as extensive care is taken to e Mission & PEOs. The department ensures that the Vision, Mission and PEOs and their significance are explained to the students. The faculty members and non-teaching s conducted during the formulation of Vision, Mission and PEOs. Their opinions are given due importance. The Vision, Mission and PEOs are also disseminated to other stak

List of stakeholders:

Stakeholders of an organization play a very important role in deciding the organizations actions, objectives, and policies. The organization needs to engage with its stakeho expectations, and attitudes, and accordingly formulate its actions, objectives, and policies. Students and faculties are our most significant stakeholders. Students require qu various options of teaching-learning process and general educational methodologies in imparting value-based education to the students and also mentoring/counseling the

Stakeholders can be categorized into two segments. The lists of stakeholders are as mentioned below:

- **Internal stakeholders:**
  - **Students**: Display on notice boards, Induction programs, and mentor-mentee meetings.
  - **Faculty:** Faculty rooms, Faculty meeting, Course files.
  - **Non-technical staff:** Display on notice boards and corridors.
  - **Management:** Individual copies of Vision and Mission shared circular through the mail and during faculty & staff meetings.
- **External stakeholders:**
  - **Parents:** Parents-teachers Interactions.
  - **Alumni:** Alumni meet / E-Mails / Institute Website.

- **Industry/employer:** E-Mails / Institute Website.
- **Affiliating University:** E-Mails / Institute Website.
- **AICTE/NBA:** SAR / Institute Website.

1.1.5 Mapping of PEOs with Mission (10)

PEO Statements	M1	M2	M3	M4
Graduates will establish successful careers in computing and IT industries or pursue higher education.	3	3	3	1
Graduates will analyze, design, and implement computing solutions to solve real-world problems, lifelong learning, innovation, and emerging technologies.	2	1	2	2
Graduates will function effectively as professionals with ethical values, teamwork, communication skills, and leadership qualities.	1	1	1	3

The following table demonstrates the justification and rationale of mapping

Table 1.1.5.1: PEOs and Mission statement justification

PEOs and Mission statement mapping		
	Mapping	Justification
PEO 1 with Mission statements	PEO 1 with M1	PEO 1 aims to establish careers in the IT industry exact intended outcome employment). The depar achieves this by providir foundation in core engin practical technical skills, mathematics, directly tra immediate job readiness sustained career growth
	PEO 1 with M2	PEO 1 explicitly targets t higher education, flawles M2's mission to enable r advanced studies. By nu academic research capa incentivizing MOOCs, th directly fuels the student from undergraduate stud scholarly pursuits.
	PEO 1 with M3	A successful career in co (PEO 1) includes the patl entrepreneurship (M3). T correlation is justified by department's proactive E Development Cell (EDC), transforms foundational knowledge into tangible ventures through targete mentorship.
	PEO 1 with M4	While value-based educa foundational to personal development, PEO 1 is p driven by technical mast career milestones. There needs and human values supportive, rather than p in the immediate acquisi technical career placeme
